NZ Three Day Eventing Championships - Programme 2024

MESSAGE FROM THE ORGANISING COMMITTEE

Welcome to the New Zealand Three Day Eventing Championships

On behalf of the ESNZ Eventing Board, I extend a warm welcome to all riders, officials, sponsors, volunteers, and supporters to our 2024 New Zealand Three Day Eventing Championships at the National Equestrian Centre, Taupo.

To all our riders, congratulations on qualifying to ride in the NZ3DE Championships. We look forward to watching you and your horse, giving it your best to take away a title, or achieve whatever goal you set yourself for these Championships. We are excited to provide the 3DE experience to riders from 80cm to 4*, and we look forward to recognising and celebrating achievement in every class.

Last year Mathew Grayling and Trudeau made history, becoming the first combination in the 51-year history of the championships to secure the Wills Trophy for three consecutive years. As they are currently campaigning overseas, it will be exciting to see who rides away with the Wills Trophy this year.

We deeply appreciate all our sponsors support of Eventing and these Championships and thank them for enabling us to bring the Eventing community together to celebrate the finale and pinnacle event of the year. It is tremendous to see so many class sponsors return for another year; Wade Equine, NRM, Fiber Fresh, Canter for Cancer, Oranoa Sport Horses, Penny Homes, Land Rover, Jenni Calver, NZPCA, NZTR, Charlton Stud and we welcome IRT, NZ Warmblood Association, For the Love of the Sport – Celebrating Volunteers, MiEqui, Equilume this year. All our sponsors are named in this programme so please show your appreciation by thanking them and of course choosing them when you make your purchases.

There are a great many people I would like to acknowledge who have worked hard over the months leading up to the event, as well as those you will also be working hard over the five days to provide an enjoyable, safe and successful event. You will see their names listed in this programme including the judges, course designers, technical delegates, stewards, scorers, timekeepers, medical staff, vets and a large team of event staff – all of whom we are very grateful to for all that they do for our sport. Thank you.

Our Event NZ3DE Sub-Committee of Chris Perkins, John Alexander, Jenny Draper, Amanda Illston, Wendy Lansdown, Hamish Butler-Gallie, Marg Evans, Hayley Daigle, led by Rosie Edwards, we thank you for shouldering the huge workload and taking on the responsibility for delivering the event.

May the next four days be filled with unforgettable moments (for all the right reasons), lasting memories of good times with your two and four legged friends, enjoyment for our sport and love of our equine partners.

My best wishes to you all for an enjoyable and successful event.

Graham and Janet Fox of Oranoa Sporthorses

Oranoa started breeding horses to provide themselves and their children with suitable mounts.

Like many aspirations it became a journey of trial and error and success and taking chances and thus it continues.

They have 5 stallions and 10 broodmares. Bloodlines include Aberlou, PR Colidas Hopeful Lad, Oldenburg, Graf Landau and have bred a Hanoverian colt by Gymnastic Star. They start their own youngsters and have sold horses to young riders through to 70 year old women.

Oranoa horses are no strangers to the podium placings in all disciplines. The NZ3DE have the beautiful combination of Bridie Quigley and Oranoa Greyson competing in the NRM CCI3-L class—they were also members of the winning Oceania Young Rider team at Land Rover Horse of the Year 2024 and a notable 2nd place in the CCI3*-S class.*

One to watch is Graham Fox riding Oranoa Black Betty in the Penny Homes CCN95cm-Championship class—good luck Graham!

Thank you Oranoa Sport Horses for your on-going support of the NZ3DE.

Equissage Riders Function

We are incredibly fortunate to have the support of Equissage who have sponsored the Riders Function at the NZ3DE.

The Equissage Riders Function will commence approximately 7pm, immediately following the Rider's Meeting and Annual Event Rider's Association Meeting, upstairs of the indoor.

Each rider will receive a free drink ticket in their Rider's bags and the bar will be open. Pizzas will be provided from 7pm.

The evening will consist of celebrating our 2023/2024 ESNZ Eventing Series winners and placegetters, an introduction from Equissage, a presentation from NRM re: the latest equine nutrition research and an interview with the WINNING 2024 Oceania Young Rider team!

There will also be giveaways but you must be in attendance to win! Stay tuned for more information....

Admission is free and all are welcome.

Introducing MiEqui's high-performance range of grooming products for horses. Made Pure in New Zealand using Manuka Honey and Harakeke, this range has been developed in collaboration with Olympian Equestrian riders, top groomers and a specialist equine veterinary expert to ensure the highest levels of grooming presentation.

The New Zealand Warmblood Association is extremely proud to be pairing with Equestrian Sports New Zealand to sponsor the New Zealand Young Event Horse Championships to be held in Taupo as part of the Taupo International Three Day Event in May.

The New Zealand Warmblood Association is run by a dedicated team of New Zealand horse breeders who have the vision of ensuring New Zealand bred horses are recognised in a New Zealand Stud Book from the very start of their sporting careers.

It is firmly encouraged that all horses entering into the New Zealand Young Event Horse Championships have a passport or papers from a recognised breed society or stud book eg NZTB, NZWB, NZ Hano etc. This will ensure the correct recording of the horse's details in the ESNZ system and on Evo Events, and furthermore, when going on to compete at international level the horse will be correctly recorded on the FEI Database as a New Zealand bred horse with all the details tracing the horse back to a NZ Stud Book, the NZ Breeder, and the correct Sire and Dam information will have been provided. A win-win for New Zealand Breeding and Breeders!

The New Zealand Warmblood Association is a member of the World Breeders Federation for Sport Horses and is the only studbook in New Zealand issuing FEI Approved Passports for all horses.

Horses can be registered with the NZWA at any age and only need a minimum of 25% Warmblood to be issued a passport in one of the four registries.
